Dear Partner in His Mission,

Warm greetings from Maranatha World Missions families. We thank God for your valuable contributions and prayer. We wish you and your family the peace of God during this holiday season.

Mission Trip

I was in the mission field October 21-November 6, 2007 and spent most of my time in Gujarat. The strongholds of the enemy tried to attack our work in a vicious way, but we thank God that He is still in control. The work was not disturbed in any form or fashion. Many new avenues were opened to us as we conducted meetings in Gujarat, Maharashtra, Madhya Pradesh, and many other places. Even though these meetings were not planned ahead of time, great crowds gathered there and many miracles, signs, and wonders took place. Many names were written in the Book of Life. Thank God for His grace, which is sufficient in every situation.

Convention Ground

We are urgently in need of a convention ground of our own in Gujarat. Without it, it is impossible to contain the crowds. Please remember our needs in your prayer.

Orissa Convention

This was our first attempt at a major crusade in Similiguda, Orissa, a state in which we have over 300 churches. Hundreds of people accepted the Lord Jesus as their savior and many signs and wonders took place.

Thank you for your support on behalf of our ministries. We invite you to continue to be a part of this mission by sponsoring a medical van for \$25000, construction of a new church building for \$3000, supporting a native missionary for \$45 per month or an orphan child for \$40 per month. You can also provide bicycles to our missionaries with a donation of \$75 or a motorbike for \$1200. May God richly bless you, and we wish you and your family a Happy New Year.

Yours in Christ,

Pastor Bethel P. Jacob
